In re Application of  
Dennis Keith, Chandrika Govardhan and Nazer:

Application No. 10/024,701  
Filed: December 17, 2001  
Attorney Docket No. 13764-003001  
Title of Invention: METHODS FOR  
PREPARING PURIFIED DAPTOMYCIN

DECISION GRANTING STATUS  
UNDER 37 CFR 1.47(a)

This is in response to the renewed petition under 37 CFR 1.47(a), filed June 16, 2003 (certificate of mailing June 11, 2003).

The petition is GRANTED.

Petitioner has shown that the non-signing inventors Govardhan and Khalaf refused to join in the filing of the above-identified application after having been presented with the application papers. The declaration of Laurie Butler and the petition attest a copy of the application was sent to Richard Forrest the purported representative of both non-signing inventors. The non-signing inventors' failure to respond to the application mailing sufficiently establishes that they refuse to execute the application papers.

The above-identified application and papers have been reviewed and found in compliance with 37 CFR 1.47(a). This application is hereby accorded Rule 1.47(a) status.

As provided in Rule 1.47(c), this Office will forward notice of this application's filing to the non-signing inventor at the address given in the petition. Notice of the filing of this application will also be published in the Official Gazette.

This application is being forwarded to the Office of Initial Patent Examination for further processing.

Telephone inquiries related to this decision may be directed to the undersigned at (703) 306-0251.
